EasyFit adapts to your budget, and you easily adapt to them!

EasyFit lenses, from the Attraction range, are the progressive lenses you have been postponing getting!

Attraction EasyFit lenses help you enjoy good vision at all distances: reading, watching TV, around the house, or outdoors.

They are the best value-for-money progressive lenses!

PROGRESSIVE EASYFIT

WHY CHOOSE EASYFIT?

They are very easy to adapt to and consistently deliver excellent results.

75% Among wearers, adaptation has occurred in just a few hours.

They provide a generous near vision zone for comfortable close-up viewing.

They are the most balanced option in terms of performance and cost.

The Avvero team guarantees adaptation.
